Director's Notes

Hi - When we first talked about doing Jesus Christ Superstar, two years ago, I had no idea I would be directing. With time, it became apparent that we had to find a way to not do it review style and yet pull it back from the traditional "Grand Style". In the spring of '88 an idea came to me in a flash . I had the idea - I became director. So , using it as a guide, we begat what is now presented for you on stage. I hope a light shines for you as this old story unfolds anew.
