## NOTES ABOUT FRONT ROW CENTRE PLAYERS SOCIETY

FRONT ROW CENTRE PLAYERS SOCIETY was founded in October, 1988. The Society was formed with the prime objective being to provide amateur performers the opportunity to perform in Musical Theatre. In addition, the Society endeavours to provide quality instruction in all aspects of the Performing Arts. The Society currently has 62 active members.

Our first production was the Musical "Jesus Christ Superstar" which was performed at the Dr. Betty Mitchell Theatre in March of 1989. Our players were well received by six sold out audiences. A 30 member choral ensemble performed at a Fiberglass Canada convention held at Kananaskis Lodge this year as well.

You are about to see our third performance with our offering of "Tunes and Tickles" which is a Cabaret style performance. We are certain that you will enjoy the performance as much as our players have enjoyed putting it together.

We have already started the ball rolling with our next offering. Please watch for our production of the musical comedy "DAMN YANKEES" which will be held at the Dr. Betty Mitchell Theatre, April 11 - 14, 1990. Please refer to the cards on your table regarding our audition notice.

### DOOR PRIZE!!

Don't forget to enter our draw for super door prizes which will be drawn directly after the performance on Saturday November 18. Please remember to fill out your name and address on the draw card which is inserted in this programme.
